Expenses of \$1056t.89

Assets of \$34612.01

Old Business: None

New Business:

Membership Drive Letter

The membership drive letter was updated. Beth will make the revisions and send the letter to Amy. Amy will forward the letter to board members for their approval. The library will print the letters and Pioneer Printing will donate the folding and printing of envelopes. Patrons will be given a choice of receiving the newsletter by e-mail or having it mailed to their home.

Newsletter

The newsletter is ready for mailing. Wednesday, March 3 at 10 o'clock volunteers will meet to fold and prepare the newsletter for mailing. A lengthy discussion was held on bulk mailing or mailing with stamps. There are too few mailings for bulk mailing to be profitable. It was decided to mail with stamps. Perhaps another source can be found to piggy back the newsletter mailing.

Board Members

Marilyn's term on the board expired this January. A discussion was held on suggested names. There are three positions to fill.

Shelf Elves

Patrons are not volunteering to meet on the second Thursday of each month to dust books and arrange them on the shelves. Linda will contact Linda Seeger the sponsor for the Key Club to see if any of the students would like to volunteer.

Summer Reading Program

The Friends of the Library will sponsor the summer reading program for middle school students again.

Meeting Adjourned: 11:00
