WILBOR Guides

Updated 4/4/2013

This guide tells you how to download ebooks in **Kindle format** to your Fire; you can also download ePUB ebooks, and MP3 audiobooks to your Fire. See the WILBOR Guide, "Enjoy WILBOR eBooks and Audiobooks on Your Mobile Device," for those instructions.

It is easiest to begin by logging onto your Amazon account, using the browser on your Fire, if you are not already logged on.

1. INSTALL the free mobile app (Overdrive Media Console) from the Fire's app store.
2. Open the app and visit the WILBOR virtual branch:
 - Tap the **Menu** icon (middle icon between the back arrow and search icon) on the option bar at the bottom.
 - Use the 'Get Books' option in the app, and search for your library by name or zip code; select WILBOR. (You can set WILBOR as a favorite in the app, so you don't need to search each time you want to get a book.)
 - Use "Sign In" (above the logo banner, on the right) to log in to your library.
 - Browse or search for a title.
 - Make sure the title is available as a Kindle Book, and tap on "Borrow."

A screenshot of a mobile device displaying the OverDrive Media Console app. The screen shows a book entry for 'The Girl with the Dragon Tattoo'. At the top, the title and author are listed. Below that is a five-star rating. A large blue button labeled 'Borrow' is centered. A red oval highlights this button. Underneath the button, there is a brief summary of the book. At the bottom of the screen, there is a section titled 'Available formats' with a list including 'Kindle Book', 'OverDrive READ', 'EPUB eBook', and 'PDF eBook'. Each item has a small icon to its left.

4. The transaction will be handed off to Amazon. If you have more than one Kindle, or multiple devices with the Kindle app, choose to which you would like the book to be sent, and tap on ‘Get library book.’

The book will be delivered to your Fire. Your Fire must be connected to a wi fi network in order for the book to be delivered. You will find the book on the bookshelf on your Fire’s home page (or in your Kindle library on the Fire), NOT on the bookshelf within the Overdrive Media Console app.

To return a Kindle book early:

Up to the point of downloading the book, you can return the book from the Overdrive Media Console,

These might come up:

I've had Amazon deliver a book to my Fire, but I don't see it there.

You may have to sync your Kindle in order to force it to pick up the book immediately:

1. Touch the Settings icon in the upper right corner of the Fire's screen (it's a small cog, to the left of the battery indicator)

2. Touch "Sync" from the menu that opens at the top of the screen

3. Your book should appear on your "Books" shelf; "Device" should be selected (rather than "Cloud") at the top of the Books screen.
