Theme

The theme for the 2013 Summer Reading Program is **"Dig Into Reading!"** Join us this summer as we explore the wonders under our feet – buried treasure, burrowing animals, insects, dinosaur bones, root vegetables, and more.

Who can attend?

All young people, pre-school age through 4th grade. The library welcomes children of all abilities and **all programs are free of charge.**

Reading Incentives

Throughout the program children will fill out tokens for books they have read. Tokens will be drawn each week to determine who gets a prize.

Children are encouraged to read books appropriate for their age and to keep a list of books read. Watching their reading list grow throughout the summer gives each child a sense of accomplishment. Our goals are to encourage children to continue using the library, to motivate them to read and maintain their reading skills during the summer vacation.

Registrations

Pre-registration enables us to plan more effectively, but anyone can join at any time. If you or someone you know would like to join the program (whether at the beginning or mid-session), please ask a librarian for a registration sheet. The registration records allow us to track how many children benefit from our reading program. We encourage everyone to bring friends and family to the weekly events whether they have registered for the program or not. Parents or caregivers are always welcome to join us. Call the Milford Memorial Library at 338-4643 or e-mail bettyn@milfordlibrary.net for further information.
